What is more fearful than the breaking down of the pervous system ? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? There is one !- drink but little want, beer, or spirits, or far better none; tare no colles .- went ten being preferable; getall the fresh air you can; take three or four Pilis every night; est plenty of solids, avoiding the use won will be happy to mind and strong in body, and forget you have any nerves.

MOTHERS AND DAUGHTERS. If there is one thing more than another for which three Pills are so famous it is their purifying properties, especially their power of cleansing the bland from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fall, never weaken the system, and always bring about what is required. DISORDERS OF THE KIDNEYS.

In all diseases affecting these organs, whether they segrets too much or too little water; or whether they be afflicted with stone or gravel, or with sches and pains settled in the lorns over the regions of the kidneys, these Pilis s hould be taken according to the printed directions, and the Clintment should be well rubbed into the small of the back at bed time. "Dn, Poland -I wish to bear my testimony to the value of your White Pine Compound You ALWAYS to SECURE a GOOD PICTURE will remember how feeble I was at the time I only ed upon you, in July last. My chief complaint ments, has been added, &c., &c., affording, it is was enformmation of the kidney. In addition to safe to say, better faculties than are possessed by other disagreeable symptoms, I suffered dreadfully | any similar establishment in Vermont from severe pain. You sold me a bottle of the White Pine Compound, and before I had taken two-thirds of the contents of that one bottle pain had all left me. Though I had been afficied with that complaint a long time, Inavenot had a return of it since, and have for many months past enjoyed excellent health.
